

January 2026

HOPE's New Subcommittees

As we step into 2026, we want to begin by saying thank you. Your commitment, expertise, and willingness to show up, sometimes in hard conversations and complex systems, continue to move Georgia closer to safer, more equitable maternal health outcomes.

HOPE for Georgia Moms exists because of this Task Force, and we are deeply grateful for the time and care you invest in this work.

This year, we are entering 2026 with a refreshed subcommittee structure designed to better reflect the interconnected nature of community voice, data, and clinical care—and to help us move more effectively from insight to action.

Each of these groups plays a critical role in advancing our shared mission, and we're excited about the clarity and momentum this structure brings as we look ahead.

We're grateful to begin another year alongside you and look forward to the collaboration, progress, and impact ahead in 2026.

Be sure to check out our [Task Force Onboarding Toolkit](#) on our website!

New Subcommittees

Community: Advocacy, Respectful Care and Equity

Maternal Health Data

Clinical Care Initiatives and Equitable Experiences

Celebrate Maternal Health Day

Maternal Health Awareness Day 2026

Health Mothers, Healthy Babies is bringing together advocates, community leaders, and everyday Georgians to push for real change in maternal health policy right where decisions get made. Every mother, every family, every community deserves better. Join us at the Capitol to tell lawmakers exactly what that looks like and why it matters.

Dates: Wednesday, January 21, 2026

Time: 10:00 a.m. - 4:00 p.m.

Mini-Grant Applications

We are excited to announce the HOPE for Georgia Moms Mini-Grant Opportunity for Fiscal Year 2026, with a total funding pool of \$80,000 available to support multiple programs and organizations working to improve maternal health outcomes across Georgia.

These one-time mini-grants will fund projects that align with the strategic goals of the Georgia Maternal Health Task Force, as outlined in the HOPE for Georgia Moms Strategic Plan.

Application Deadline: Friday, January 9, 2026 at 5 p.m.

Award notifications begin Monday, February 9!

For questions about the mini-grants, please email Maribel Luviano at Maribel.Luviano@nghs.com.

Save the Date: Annual Retreat

Save the date for HOPE for Georgia Moms' annual Task Force Retreat.

Dates: July 9-10

Location: Lanier Islands

Time: 1 p.m. start on July 9

Hotel stays on July 8 and July 9 will be covered by HOPE if needed.

Member Spotlight
